

Doing your DofE during the coronavirus outbreak

We recognise that this is a worrying time for everyone, and you may be concerned about how you will continue your DofE and achieve your Award, amongst many other things. If you can, it's important to stay healthy and active during this time and continuing with your DofE activities can help with this – even if you're not attending your usual meetings.

This flow chart will help guide you...

We'd love to hear your ideas and tips on continuing your DofE activities from home. Please share them with us on social media using #DofEwithadifference
