

Tool Information Poster

- Design a poster on A4 paper that explains all of the tools that you have learnt how to use during your D&T lessons.
- Your Poster is to be aimed at Year 6 students
- Each tool must be turned into a character with a memorable name relating to the name of the tool. With a clear explanation how to use the tool.
- You must have a clear title to your poster
- All work must be completed in pencil and coloured with tone applied to enhance key aspects.

Ensure you think about your presentation and layout to make your poster eye catching and bold
